MAD Dogs .-- The man dog epidemic is now raging in this community, and really, now, with an apparent cause, for within a short time two well defined cases of death from hydrophobig have occurred here. But in these cases the bites were inflicted months since, and conse quently afford no just grounds for killing all the dogs that suap at or run away from those who attack them. Since Mr. England's deathit is reported this morning that his little daugh ter, Rose, complains of severe pains in the sear left by the bite of a dog-many valuable animals have been killed, and the reports of guns and pistols heard at intervals during the day and night indicate that the slaughter has not yet | fined and discharged.

Horse Recovered .- The horse of Mr. Henry Daingerfield, which was stolen from the stable of that gentleman last week, was recover ed on Saturday, by Mr. James Chatham, who found the animal near Freedman's Village,whither he had been ridden and left, by a col ored man. No arrest was made. The horse was left with a colored man named John Minor. The man who left him gave his name as Braxton, and said he came from Domiries. He is described as a straight haired unlatto. He said he was going to Washington but would return the next day. He is supposed to be the same man who escaped from two of the police officers of this city some time ago.

Houses Wanted, -The urgent want of dweiling houses in this city is again pressed upon capitalists as a means for profitable and safe investments. Hardly a day passes that applications are not made for houses that would plications are not made for houses that would be a safe investment of the safe investments. It is again pressed and sedentary employments for others of a more possibly safe in this is by no means certain.

Habitual constipation is a very obstinate disorder. All the ordinary so-called remedies invariably aggravate it. DINNER STOLEN .- The panery in the house of Mr. Richard Purcell, near the corner of Prince and Alfred streets, was robbed on Saturday night last of the materials from which the Sunday dinner was to have been prepared. The colored cook employed by the same gentleman, on Sunday morning made a fire in the kitchen stove and accidentally cooked two cats which had slept in there the night before.

THE NAME of the man who shot at Brakesman Taylor, on the O., A. &. M. R. R. on Friday, a notice of which appeared in Saturday's Gazette, is Davis, son of the late Peter Davis, of this place. Parties left this city today for Orange Court House, for the purpose, if possible, of arresting Davis, who is said to be still at that place or in the neighborhood.

RAT KILLING. - The most extensive rat killing that probably ever occurred in this city was witnessed at the pulling down of the old Government ware house on Union street, op posite Smoot's lumber yard, this morning. The dogs and boys engaged in the sport destroyed, it is estimated by spectators, as least a wheelbarrow full of the animals.

YESTERDAY was a bright and beautiful day, with a soft and balmy atmosphere. The pulpits of the various churches were filled by the resident clergy, and the congregations in at tendance, were unusually large. In the evening there was a large number of persons on the streets.

THE STREETS .- The present clean condition of the streets is a subject of remark, and reflects credit upon the energy and watchfulness of the Superintendent of Police, who is unceasing in his endeavours to promote the saul tary condition of the city.

SPECIAL NOTICES.

HABITUAL CONSTIPATION. HOW TO EFFECT A CERTAIN AND PERMANENT CURK.

Some occupations of life predispose to Costiveness, especially those which allow but little exercise. Persons who contract this unfortunate habit of body, under such circumstances, might possibly be relieved by changing their injurious than the continued use of strong apehave no effect upon them. A mild aperient, combined with a gentle stimulant, is the true remedy; and a combination in the happiest proportion, of these ingredients, is found in Hostetter's Stomach Bitters. This famous Stomachic invigorates the whole intestinal canal, while quietly removing from its convolutions all impediments to a free passage through them. No mere purgative has this double operation. No ordinary stimulant effects the desired object. Cases of Constipation abandoned as hopeless by distinguished medical men have been cured in a few weeks by the Bitters. To those who have tried all the medicines of the dispensary in vain, we say try this irresistible stimulant and aperient. There is no sufficient reason why constitution should be the consequence of sedentary habits. Hostetter's Bit-ters, by supplying the vigor which would otherwise be derived from exercise, will in all cases enable the system to perform its excretory functions regularly and healthfully.

GRAPE WINE.

We take pleasure in directing the attention of the public to Speer's celebrated Port Grape Wine, a pure and unsdulterated grape wine, upon which every one having occasion to use wine may most implicitly rely.

The wine is made at Speer's vineyards, Pasaic, N. J. It has a rich flavor, mellow juiciness and brilliant color, and is not only an agreeable beverage, but highly beneficial in its properties. We know this to be the fact, having tried the article thoroughly. Use Speer's Bottled Wines with his signature on the cork, and you are sure of getting a pure article .-[Davenport Democrat.
